Dear 2020 San Antonio Seniors and their families,

On behalf of Destination College, I'd like to invite you to join us for the first-ever VIRTUAL College Signing Day celebration! During this interactive live stream event, the San Antonio Education Partnership will shine a much-deserved light on YOU, our high school seniors who have committed to pursue post-secondary education. Deciding which school to attend is a huge step towards your future and a decision worth celebrating no matter what. In light of the current COVID-19 crisis, however, the College Signing Day team feels it's more important than ever to give you and your families a bright spot amidst a sea of cancellations and closures.

This live celebration will be streamed on May 1st from 5-7pm on Facebook and YouTube, led by our College Signing Day co-hosts, SA2020's Molly Cox and 96.1 Now's Russell Rush. The festivities will include college shout outs, mascot cameos, community messages, giveaways, musical performances, live photo booths, interactive Instagram filters, and dance breaks from special guests, along with the College Signing Day Pledge. All San Antonians are welcome to tune in and take part in the celebration, including: students, family members, college reps and mascots, representatives from the military and vocational industry and community members.

### **Ready to PARTY with us? Here's how you can participate in the event:**

- 1) Share your excitement prior to May 1st by printing and utilizing any of the attached photo booth supplies, signs, and encouraging your friends and family to participate in the live stream on May 1st.
- 2) Wear your college T-shirt/Hoodie (or the college T-shirt/Hoodie of the senior you're supporting) on May 1st all day long!
- 2) Use the hashtags #CollegelsntCancelled and #CollegeSigningDaySA in any postings regarding College Signing Day. Be sure to tag Destination College and San Antonio Education Partnership as well because we'll be sharing our favorites!
