**Innovating the Classroom, College, and Careers:
AI Technology & Beyond**

Your partnership helps us prepare tomorrow's workforce.

A WORD FROM OUR CEO

Investing in San Antonio's future

We invite you to join us on **September 15, 2026** for our annual breakfast fundraiser, **Innovating the Classroom, College & Careers: AI Technology & Beyond.**

For over three decades, **San Antonio Education Partnership (SAEP)** has helped San Antonio students access, afford, and complete college through advising and scholarships. Since 1989, our work has empowered students to earn more than 19,000 degrees and credentials.

In a time of rapid change in education and the economy, your support is more vital than ever. Sponsoring this event is an investment in San Antonio's future — empowering students, strengthening our workforce, and building a more educated, thriving community.

DR. ANA ACEVEDO
Chief Executive Officer

19,000+

degrees & credentials earned
by SAEP students since 1989

WHY IT MATTERS

Education fuels economic mobility

San Antonio ranks among the highest U.S. cities in poverty and the lowest in educational attainment. Raising attainment is the strongest lever we have to expand opportunity, strengthen the workforce, and lift entire communities.

THE ATTAINMENT GAP

< 28%

SAN ANTONIO ADULTS
WITH A BACHELOR'S
DEGREE OR HIGHER

34%

U.S. ADULTS WITH A
BACHELOR'S DEGREE
OR HIGHER

OUR MISSION, SINCE 1989

To create college opportunities, access, and success for San Antonio students — removing the barriers facing first-generation, low-income, and historically underserved students.

since 1989

PEOPLE OF COLOR

We serve students where they are: 29 high schools, 6 districts, 12 partner colleges & universities · cafécollege, San Antonio's college hub

STUDENT STORY

San Juanita's story:

From Unspoken Plans to a Future in Cybersecurity

"If SAEP had not been part of my journey, I would have missed a lot of valuable information I needed as a first-generation college student. As someone who's been impacted by SAEP, I really encourage others to continue to help support San Antonio."

— San Juanita, SAEP Scholar & UTSA 2026 Graduate

San Juanita couldn't picture her future—she'd never even spoken it aloud. Then as a junior in high school, dual-credit classes and SAEP advisors showed her she belonged in a college classroom, and a scholarship cleared the costs that might have held her back. She persevered all the way to UTSA's Honors Program, becoming the first in her family to change what comes next—a legacy her parents now watch with pride.
